

CELEBRATING GOD'S PROVISION IN 2025—

& Trusting Him for What's Next

As we near the end of another year and embrace this season of reflection and celebration, I would love to share how God has worked through this ministry in 2025. In a world filled with uncertainty, we remain committed to our mission—to affirm life, speak truth, and offer hope. By God's grace, and through the partnership of friends like you, lives are being changed. Your prayers, encouragement, and financial support have helped make this possible.

In just the first ten months of this year, we have seen God's faithfulness in beautiful and tangible ways:

- **168** babies were welcomed into the world
- **260+** ultrasounds were provided
- **284+** pregnancy tests administered
- **1,177+** gospel-centered conversations shared

Each number represents a **person**—a life protected, a mother encouraged, a family supported, and a heart pointed toward truth and hope. We give praise to God for every opportunity to serve.

We also rejoice in God's provision for our staffing needs this year. We welcomed a new Client Coordinator, an additional Nurse, and a Community Liaison—each one strengthening our ability to care for mothers and advocate for life. We also welcomed a new Project Respect Director, allowing us to meet increased requests from schools and share a life-affirming message with the next generation. We are better positioned than ever to meet the growing needs before us.

While we celebrate these blessings, we remain short by nearly **-\$86,000 YTD** between the CPC and Project Respect in meeting our ministry expenses. This is not uncommon at this time of year, and we do not lose heart. God has always been faithful, and we trust He will continue to provide. Yet, we also know He often meets needs through His people.

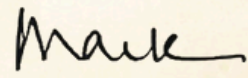

In addition, we are preparing for a major capital project to remodel and refresh our four centers—improving the warmth and aesthetics of our spaces with updated flooring, furniture, artwork, and more. These upgrades are expected to total around \$100,000, and will help create an environment that reflects the dignity, value, and care we extend to every client.

Would you prayerfully consider how the Lord might use you to help us finish the year strong? Your gift—large or small—will help ensure that this ministry remains strong and effective as we serve mothers, families, and students in the year ahead. An envelope is enclosed for your convenience.

Thank you for your trust, generosity, and prayerful support. It is a joy to serve alongside you, and we look forward with anticipation to all that God has in store for the coming year.

The LORD bless you and keep you; The LORD make His face shine on you and be gracious to you; The LORD lift up His countenance on you, and give you peace.” —Numbers 6:24–26

From our family to yours, we wish you a joyful, peace-filled Christmas season.
